

Laserply Club

DISCOUNTS & REWARDS

Welcome to the Club! After 20 years of operating, we wanted to give back to the community of Laserply legends that have helped us to grow. Instead of sharing the love by building friendship bracelets and booking tickets to Burning Man together, we thought a rewards program was more practical!

Signing up for Plyco's Laserply Club is easy. All you need to do is click the link below and create an account via Plyco's online store. And that's it!

Each time you make an online Laserply purchase with the same email address used for your account creation, your points are automatically accumulated.

To view or redeem your points, just click on the same link below and log into your account. Once you're logged in, open the popup on the Laserply Club page. Here you'll see your eligible rewards along with discount codes to use at checkout.
